## DETAIL ACTION

### *Examiner's Amendment*

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as following:

In the claim, claim 12, line 8, insert --from said superposing means-- after "current", delete "a" before "gate" and insert --the-- before "gate".

The above noted amendment has been added in order to provide a clarification in claim language.

### *Reasons For Allowance*

2. Claims 3-8 and 10-13 are allowed.

3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose a light emitting element driving circuit for supplying driving current to a light emitting element connected to one line of a current mirror circuit having two parallel lines by comprising: a pulse generating circuit connected to the other line so that pulse current flows through the other pulse; and superposing means for superposing first auxiliary pulse current on the pulse current in synchronization with the rise-up time of the pulse current, wherein the superpose means comprises a differentiation circuit for generating a first auxiliary pulse current as required in claim 3 or one shot circuit constructed in a manner as required claims 5 and 6, or establish a follower circuit as required in claims 8 and 10. The prior art also fails to provide either the source of a first or a second auxiliary pulse current from the superposing means is connected to the gate of a transistor that forms the other line of the current mirror as required in claim 12.

Art Unit: 2821

4. The remaining dependent claims are allowable for at least above reason.
5. The prior art made of record and not relied upon is considered pertinent to applicants' disclosure. None of cited/recorded prior arts stands alone or combination with others discloses all limitation required in claim invention.

## **Remarks**

Amendment filed December 19, 2005 has been entered.
